Synchronization

After login EE/AEE/AE has to enter mobile number as user name and password for synchronize to retrieve data from server.

The screenshot shows a mobile application interface for synchronization. At the top, there is a teal header bar. Below it, the title "Synchronization" is displayed in a large, black, sans-serif font. The main content area has a light blue background and contains two input fields. The first field is labeled "Enter Username" and the second is labeled "Enter Password". Both labels are in a dark blue, sans-serif font. Below the password field is a red button with the text "Sync" in white. The bottom portion of the screen shows a blurred background image of a field of sunflowers.

Verification

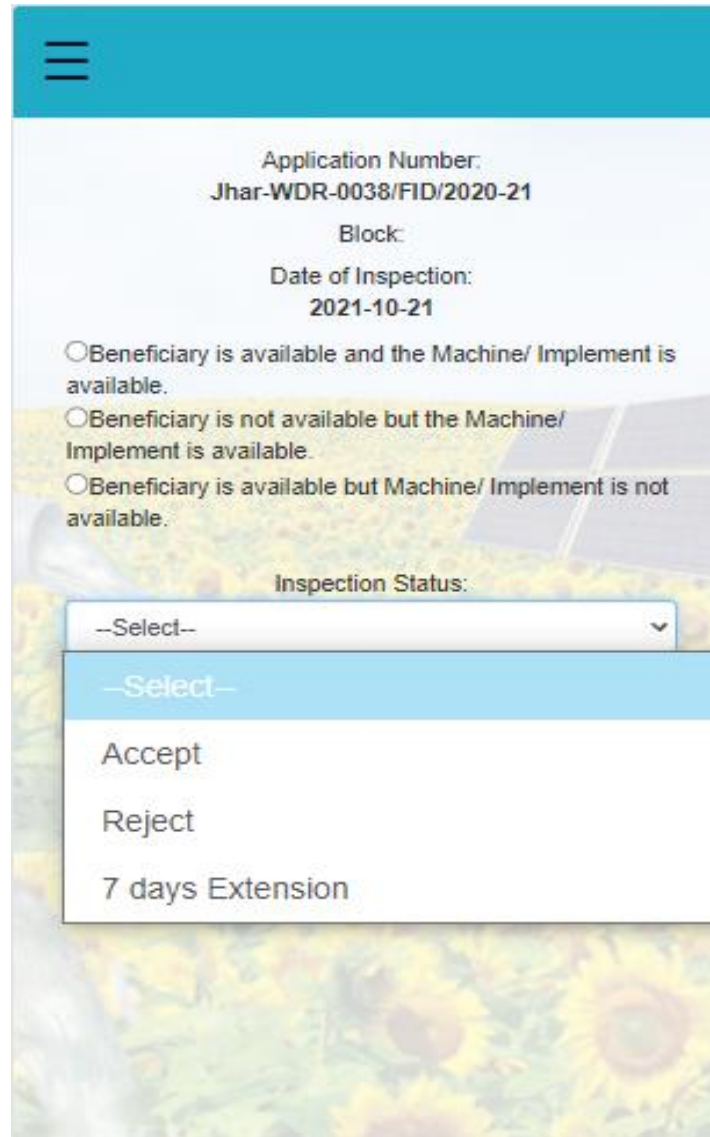

After successful synchronization user has to select their respective Block , GP and Permit number for verification. After selection of application number (Permit no) ,data will be fetched automatically(i.e. Permit No, Farmer Id, Farmer Name and their respective District, Block, Gp and Village, Engine No and Chassis No.). Then Click on Proceed button.

The screenshot shows a mobile application interface for post-verification. It features three dropdown menus for selecting 'Block', 'GP', and 'Application Number'. Below these, a list of data is displayed, and a green 'Proceed' button is at the bottom.
