	Combine harvester (Track, below 6 feet cutter bar)									1400000

- NB:**
1. Subsidy will be admissible as per the applicable scheme.
 2. Indicative cost is meant for administration of subsidy only. It may not be the selling price of a machine.
 3. At Sl. No. 9, Rotavator Upto 5 feet (above 20 -35 BHP Tractor) has been included as per SMAM 2020-21 guidelines. Indicative cost for this Implement to be finalised by the Price Monitoring Committee (PMC).
 4. At Sl. No. 30 Engine Operated 1.0 hp to less than 1.5 hp has been added as per PMC meeting held on 29.05.2021.
 5. At Sl. No. 25, Rice Puffing Machine has been added as per PMC Meeting on 29.05.2021 and the subsidy pattern has been proposed basing on the Indicative cost as there was no recommendation on subsidy amount.
 6. Some errors noticed in the Indicative Cost sheet under PP Equipments circulated vide DA&FP letter No. 19737 dt. 07.07.2021 has been rectified with reference to PMC meeting held on 29.05.2021.
 7. Flattened Rice Mill required to be supplied to WSHGs under Mission Shakti has not been included in this proposal as no such machine has been approved by the SLTC. DE, OFMRDC has been asked to do the needful for inclusion of such machines of different manufacturers in the next SLTC. The subsidy amount for Flattened Rice Mill will be included as per this Pattern of Assistance soon after its approval.
